Competition Charter

1. Introduction to the competition

With the aim to promote the combination of technological, industrial and economic development, to assist the development of innovation and entrepreneurship of Macao, to assist the advancement and diversification of Macao industries, to establish a platform between innovative entrepreneurs and investors, exploring potential talents and selecting elites, expand advancement opportunities, and to assist youth aspired to march toward the global market; Parafuturo de Macao Investment and Development Limited, Macao Youth Entrepreneurship Incubation Center, and the Association for Promotion of Science & Technology of Macao jointly organized the "Parafuturo de Macao" Innovation and Entrepreneurship Competition.

The competition is divided into two stages: preliminary and finals, with one Champion, First runner-up Second runner-up. Moreover, there are 3 prizes of "IEEAC", "Alibaba Cloud Startup Contest" and "Fosun Protechting" selected according to the theme in the finals, two awards for each winning team. In addition to receiving awards and promoting opportunities for investors to engage in commercial financing, the winning team will also have the opportunity to participate in this year's "Beijing-Tianjin-Hebei-Hong Kong-Guangdong Youth Innovation and Entrepreneurship Competition", "Fosun Protechting - Startup Accelerator Program" and "the Create@Alibaba Cloud Startup Contest"(CACSC).

2. The Competition

The first stage: The Preliminary

Public solicitation will start from 26th February to 30th March 2018, or referred by the support units, in which the contestants have to submit the entries according to the requirements. 15 high-quality venture projects will be chosen from 31st March to 13th April by expert jury in the final assessment will enter the finals.
